

Volunteer Work Party Dates 2025

Help to benefit wildlife and the community

FROYLE RECREATION GROUND

Living Willow Dome maintenance, trim top growth, tie in loose rods.

Sunday 2nd March 10am-12 and 2-4pm.

The annual cut of the perennial wildflower meadow area on the recreation ground is planned for the end of July.

Saturday 26th July 2-4pm Rake up and remove cuttings
(cut a few days previously by scythe)

THE WILDLIFE POND AREA

This area near Gid Lane has been grazed by sheep in winter as part of the maintenance plan. The meadow area has a diverse range of British native species and benefits from light weeding. Also paths need mowing in the meadow area for visitor access.

Join us if you can help on the following Saturdays

- 15th March 2pm-4pm** Remove electric sheep fence
 - 29th March 2pm-4pm** Mow paths and trim vegetation
 - 19th April 2pm-4pm** Mow paths - weed and sycamore seedlings
 - 10th May 2pm-4pm** Mow paths – pull horsetail weeds
 - 24th May 10am-12** Mow paths - cut nettles, bullrush seedheads
- Mow paths and weed as needed around 7th and 28th June.
- 30th Aug 10am-12** Scythe selected areas of meadow
 - Sept** To be arranged Thin reedmace, scythe, rake and remove cuttings
 - 27th Sept 10am-12** Erect sheep fencing
